Quantity	Item, Size, [Bloom Color]	Availability Comments	10-24	25-99
<b>Highlighted items are ON SALE! To get the discounted pricing, you need to take the quantity listed for sale pricing all on one delivery. For example, Az 'Girard's Christina' 5g, if you book 25 but only take 10 on your delivery, you will be charged the 10 sale price. Some sale items, we have very limited numbers and so not everyone will get ON SALE! pricing. Other items we have huge quantities so ON SALE! pricing may last all season, just depends on the item. As ON SALE! items sell down, we will be changing prices back to regular pricing. In other words, there is no guarantee of Sale pricing throughout the Spring season, or for any length of time. Any ON SALE! item you book we would ask you to take by April 15th or we cannot promise we will still have them.</b>
